MEMORANDUM SUPPORTING MOTION FOR EXTENSION OF TIME

Plaintiff successfully moved on March 6 for an extension of time until March 13, 2006, in which to file its objections to the court's February 27, 2006, FINAL RECOMMENDATION in this matter. It appeared to Plaintiff that objections were due on March 16. Fed. R. Civ. P. 5(b)(2)(D), 6(a) & (e) and 72(b). Plaintiff made the motion in case this reading was incorrect.

Time to at least March 13 was needed because counsel was preparing for a trial in an unrelated case that was scheduled for last week. That trial did occur; further preparation and the trial consumed most of last week. Counsel now finds he underestimated the time needed for this matter after conclusion of that trial, and now needs until March 15 to complete objections. While Plaintiff still thinks the Civil Rules provide for a deadline of March 16, it moves again as a precaution.

/

/

For the foregoing reasons, the court is respectfully requested to grant Plaintiff's motion.

Dated this 13th day of March, 2006.
